All forms of household income

4. Why the Support Rate is needed

Short explanation

Return completed forms to hello@paycyclebudgeting.co.uk

5. Eligibility route

Eligibility route

Tick or write the route that applies. The Support Rate is manually reviewed using this form and the evidence provided.

☐ UK-wide benefit or tax credit

☐ Serving military personnel

☐ Low-income household

☐ Veteran or military household

☐ Emergency services personnel

☐ Other relevant route

If other, or if you want to explain your route, add details here

6. Supporting documents

Evidence required

Accepted proof can include award letters, online statements, bank statement extracts, payslips, work ID, service evidence or other relevant proof. You may hide NI numbers, claim references, bank details and unrelated transactions.

Documents supplied

7. Review window and declaration

48-hour document window

There is a 48-hour window to supply requested documents for review. If documents are not supplied within this window, the application may be rejected.

☐ Information provided is accurate to the best of my knowledge.

☐ I understand the Support Rate is reviewed and not automatic.

☐ I may be asked for limited evidence to support this application.

☐ Pay Cycle Budgeting UK provides household budgeting support only.
